

# I Love to Be Loved

Heather Myers

## **Verse 1:**

I love to be loved by You, I love to be loved by You  
Your eyes of fire burn through; I love to be loved by You

## **Chorus:**

And here we are, the ones You love, the ones who bring pleasure to Your heart  
And here we are, the ones You like, the ones who bring delight to You

We are lovers of God, we are lovers of Your heart  
We are lovers of God, we are lovers of Your heart  
We are lovers

## **Verse 2:**

I love to be loved by You, I love to be loved by You  
Your eyes of desire burn through; I love to be loved by You
